## COLUMBUS DAY A GREAT SUCCESS

GOLDFIELD KNIGHTS AND LADIES ARE GIVEN WARM RECEPTION.

The Knights of Columbus of Goldfield came in looking as if they had victory perched on their banners—but oh, what a fall was there, my brethren—that is from a baseball standpoint.

Arriving on the train from the southern city were about 100 Knights and several hundred of their friends. They were met at the depot by the Tonopah Knights and headed by the Tonopah band were escorted to the Elks' club rooms, where introductions followed, and were then set down to a light luncheon prepared for them by the ladies of the Sanctuary Society. At 1 o'clock the members of the two baseball clubs, headed by the band, marched to the California Heights ball ground. A large concourse of people had preceded them, and they were warmly greeted as they appeared on the diamond.

After the game they repaired to the Elks' club room, where a musical program was given and light refreshments served. At 7 o'clock the special train conveyed the Goldfield Knights to their home, they one and all voting the local Knights of Columbus and their ladies the jolliest sort of entertainers.

## THE BALL GAME.

The first inning made the fair rosters of Goldfield yell with delight, for their favorites succeeded in making three runs. The end of the second inning the score was still in favor of Goldfield, and Father Dermody's expansive smile in the grandstand grew still broader; but in the third inning, with Goldfield making two more tallies and Tonopah making four, the atmosphere became a little cooler, and the zip! zip! zip! of the ladies of Tonopah became more marked. At the end of the fourth pandemonium ensued. The Tonopahs managed to score two runs, while a goose egg was checked up against the high graders. The fifth and sixth passed without either side scoring. In the seventh Tonopah added one more, making the score 7 to 5, but in the eighth the southern camp followers took on a batting streak, and before they had ceased they were in the lead, having placed three runs to their credit, making the score 8 to 7. In the ninth a lucky hit brought in a run and evened the score, necessitating the playing of another inning.

The tenth inning saw the Goldfielders going to the bat with a determination to do or die. The grandstand was one mass of yelling and howling humanity, but the Goldfielders never got beyond first base. Here is where the Tonopah men showed their mettle. The first man to the bat knocked a hot grounder to short, but alas he was thrown out at first. The third man up lined a nice single, bringing the man on third home and winning the game for Tonopah with a score of 9 to 8.

Here ended the first lesson.

The individual plays were numerous. Byron's dragging down of two running flies receiving the plaudits of every one present, and he was the acknowledged hero of the day. Judge O'Brien's work in the box was faultless, but we still believe that his position is one on the bench. As gate-keeper Commissioner Cuddy is there, and the way he raked in the shekels was a caution.

The two teams were as follows:

Goldfield Knights of Columbus: Shippe, p.; Reilly, c.; McCarthy, 1st; Gilton, 2d; Dunn, 3d; De Forrest, s.; Murphy, l. f.; Mattick, c. f.; Barreau, r. f.

Tonopah Knights of Columbus: O'Brien and Agnew, p.; Rogers, c.; Malley, st.; Mullen, 2d; Herd, 3d; Dwyer, s.; Byron, l. f.; Flint, Loer and Downs, c. f.; Powers, r. f.

## MONTANAS WILL PLAY BELMONT

The Belmonts will have Barr, of Millers to pitch for them, and, according to the dope, the Montanas will have to look out for their laurels.

This is one of the tournament games and the winners will play the Eagles-Elks team on July 5th.

## MONTANAS DEFEAT THE TONOPAH

WINNERS NOW ENTITLED TO ENTER TOURNAMENT NEXT SUNDAY.

Montana ..... 8  
Tonopah ..... 6

With a game full of sensational plays, a fair amount of hitting and replete with errors, the Montana Tonopah Club in its battle on the diamond with the Tonopah Mining team yesterday, being the victor, they will now have the privilege of engaging in the Fourth of July tournament game.

Superintendent Blackburn and Comptroller Charles, deserves great credit for bringing the Tonopah Mining Club up to its high standard, and before the season is over the prediction is made that they will be running neck and neck with the leaders and are after the pennant.

The work of the batteries, Westall and O'Hara for the Montanas and Doane and Irwin for the Tonopah Mining, was of a classy nature. Westall has been seen on the local diamond before and is regarded as one of the speediest twirlers in the State. Doane, who comes from Berkeley, is a new man in these parts, but his work of Sunday demonstrates that he is the kind of timber that will eventually land him in a league position. His remarkable turn and run around the umpire, forcing the runner on second, and then tagging the runner from third to home was a new wrinkle, and the fans yelled themselves hoarse. Irwin, the catcher for the Tonopah Mining, is a nifty boy with the stick and succeeded in making two two-baggers. He was at the bat four times, and each time succeeded in finding the ball. Perrini, Wilcox Doane and Richardson also succeeded in making a hit each.

For the Montanas, Osgood and Baxter pounded the sphere for two bags, while O'Hara is credited with two singles and Osgood, M. Miller, Westall and Force were also credited with singles.

Line-up and summary:

Tonopah Mining: Doane, p.; Irwin, c.; Blackburn, 1st; Clements, 2d; Los Kamp, 3d; Richardson, s.; Perrini, l. f.; Parker, c. f.; Wilson, r. f. Montana Tonopah: Westall, p.; O'Hara, c.; Osgood, 1st; Miller, 2d; Jones, 3d; Hunter, s.; Force, l. f.; Alexander and Stuart, c. f.; Baxter, r. f.

## BISHOP ROBINSON GIVEN RECEPTION

EMINENT DIVINE WILL LEAVE THIS MORNING FOR THE NORTH.

The Rt. Rev. Henry Robinson, Bishop of Nevada, occupied the pulpit at St. Mark's on Sunday morning, where he delivered an eloquent sermon, following which the right of confirmation was administered to seven applicants for admission to the church. A large gathering greeted the eminent divine again at the evening service, and he was listened to attentively by those fortunate enough to attend.

Last evening a reception was tendered to the Bishop at the Miners' Exchange Hall, to which the public had been invited. Deft hands had made the place a bower of beauty, it being adorned with flags, ferns and potted plants. The Bishop was presented to the people, who were all impressed with the prelate's genial and cordial manner. Light refreshments were served, after which an orchestra played for those who were given to the delights of Terpsichore.

The Bishop will leave on this morning's train for the north.

## BIG SUM FOR RAWHIDE MINES

SAMUEL NEWHOUSE MAKES PURCHASE OF PROPERTY IN GREAT CAMP.

Art Keenan came in from Rawhide Sunday. He says that Rawhide is the greatest camp that he has ever seen, and reports a big deal for property on Balloon Hill. The price paid for the property is in the neighborhood of \$600,000, which was paid for by no less a person than Samuel Newhouse, the millionaire mining magnate who a few short weeks ago paid a visit to the camp. Mr. Keenan says that it was understood that Mr. Newhouse had interested English capital in the enterprise. The water works are being speeded to completion, and work on the railway is being pushed with vigor. While the failure of the banks caused some little financial stringency, yet people seem to believe that everything will be shortly straightened out. From a mining standpoint Mr. Keenan believes there is no camp that can compare with that of Rawhide. He will return in a few days.
